Re: Red Hat, Inc. v. The SCO Group, Inc., C.A. No. 03-772-SLR

Dear Dr. Dalleo:

Red Hat, Inc. yesterday filed and served in the above-captioned case its answering brief in response to The SCC Group, Inc's motion to dismiss. However, there were a number of problems with the formatting of the brief that could not be corrected prior to the filing deadline. The brief also contained a number of minor typographical errors. Enclosed is a corrected version of the brief that addresses these issues. It does not contain any substantive changes. Please substitute the enclosed brief for the version filed yesterday at your earliest convenience. Should you have any questions or concerns, please do not hesitate to contact me.

Respectfully,

Adam W. Poff
